COMPOSITION

- ✓ **Non treated "fluff" paper pulp:** main core made of long cellulose fibers
- ✓ **Inner layer:** hydrophilic fibers, soft and hypoallergenic
- ✓ **Outer layer:** waterproof textile backsheet, "cotton touch", soft and discreet
- ✓ **Acquisition pad blue:** to keep skin dry
- ✓ **Breathable side panels:** hypoallergenic for a healthier skin
- ✓ **Elastic waisband in the back:** breathable and fits up to 254 cm
- ✓ **Super Absorbent Polymer (SAP):** sodium polyacrylate, helps prevent odors
- ✓ **4 reusable tapes:** white repositionable band
- ✓ **Anti-leak cuffs:** soft hydrophobic non-woven
- ✓ **Wetness indicator:** saturation warning of the product (dry = yellow / wet = blue)
- ✓ **Latex free product:** only elasticated Lycra®
